Mike would you be able to put this on the LDC website?

From Katherine Mills: Training Program Director for Dental Core Training.

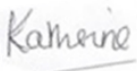

One of our current young North Wales dentists, Jerlin Jose, may be looking for short term locum work in practice after 3rd September, for maximum a couple of months, she is awaiting the opportunity to apply for a new DCT2 post in North Wales CDS which has not yet been advertised, and therefore may not be ready to start by 4th September.

Jerlin completed dental foundation in Swansea in 2023, spent 6 months working in the CDS in Wrexham/Buckley clinics and is now completing her 6 months as a DCT (used to be an SHO in my day) in Oral and Maxillofacial Surgery at Glan Clwyd hospital. She has an English NHS performer number and has had a Welsh one.

If you are interested in offering her any work in practice please could you contact her directly? Her number is 07865 458615 and email is jerlinjose@hotmail.com

Many thanks
